	Notes:		
	*The salary listed for each position is the maximum amount an incumbent may earn. Not all incumbents are receiving the maximum salary.		
	*Positions are "broadbanded", or grouped into broad salary range categories called plateaus. The highest plateau is A.		
	*Some positions listed are not assigned a plateau. This is because their maximum salary is derived by using a portion of the chair's maximum salary or they require a special evaluation.
